

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re Thomas/Anderson Minors**
Docket No. **281491**
L.C. No. **06-457788-NA**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The claim of appeal is DISMISSED for lack of jurisdiction since the Wayne Circuit Court, Family Division, Juvenile Section filed an appeal of right from an order that is not a final order in view of the fact that the children were already removed from the home in 2006. MCR 3.993(A)(1) and 7.203(A)(2). Dismissal is without prejudice to whatever other relief may be available consistent with the court rules.
